This is the ninth office action for application number 10/695,107, Carrier for Various-Sized Articles Operatively Supported by a Vehicle, filed on October 24, 2003.

***Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on August 25, 2008 has been entered.

***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: the primary reason for the allowance of the claims in this application are the limitations of an apparatus having a planer platform having a body and periphery and one or more separately-appendant handles, protruding from and in substantially close proximity to the periphery, for grasping the platform, now included in independent claim 1 and in combination with the other elements recited in the claim, which is not found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
